This is a competitive level of game play, but we need to remember that these are still just kids and they are still learning the game.

This year we would like to try something new, we would like to try and host a tournament style if possible. We will start with a Round Robin with teams put into different groups. Points will be given out as follows: 2pts for a Win; 1pt for a Draw or Tie; No pts for a loss. Scores will be kept in case of a tie. Team with the most goals will advance to higher seed, if that doesn't break the tie then 5 person penalty kicks will follow suit. Semi Finals & Finals will follow at the end of the day starting at 4:15pm & 5:10pm for Girls, and Boys championship game will be at 4:15pm.
